

# Radio Rental Solutions

When you need flexible, cost effective short-term rental communications, P&R is here to support you!

Increase your efficiency and profitability through properly selected and maintained two-way radio equipment. With a vast array of Motorola products, P&R is positioned to assist organizations with:

- Special events, projects or seasonal workloads
- Increased security, plant construction, regrouping or other immediate needs
- Consistent quality and improved safety with Motorola two-way radios

P&R Communications will put together a rental program to help with your next project, whether it is for a day, week, month or a prolonged period of time.
